For the Christmas parties the children in Reception-Y6 should bring their own Christmas Party Tea for themselves to eat from home. This means that children with particular dietary requirements and allergies can join in without feeling different and you can all be reassured about what your child is eating. Children will be provided with water and sugar free juice. Party prizes will be a mix of sweets and small non-sweet items. Nursery children will have a snack as part of their party (they would have a snack as part of normal nursery sessions).

Children in Nursery should come dressed ready for their party in the morning, all other children should wear their uniform to school and bring their party clothes to change into for their afternoon party. Children will be outside at playtime and lunchtime and so party clothes and shoes will be spoilt if worn all day.
